

CREACIÓN DE CUENTA DATABRICKS

CREACIÓN DE CUENTA DATABRICKS

1. Entramos a la web oficial de Databricks para crear nuestra cuenta gratuita:

<https://www.databricks.com/try-databricks>

2. Rellenamos la información del formulario. Como nombre de usuario se usará el correo electrónico ingresado. Damos clic en “Continue”.

The image shows a dark-themed registration form for Databricks. It includes input fields for 'First name', 'Last Name', 'Email', 'Company', 'Title', and 'Phone (Optional)'. There is a dropdown menu for 'Country' with 'Peru' selected. Below the form, there is a paragraph of text regarding data processing and a red 'Continue' button.

First name Last Name

Email

Company Title

Phone (Optional)

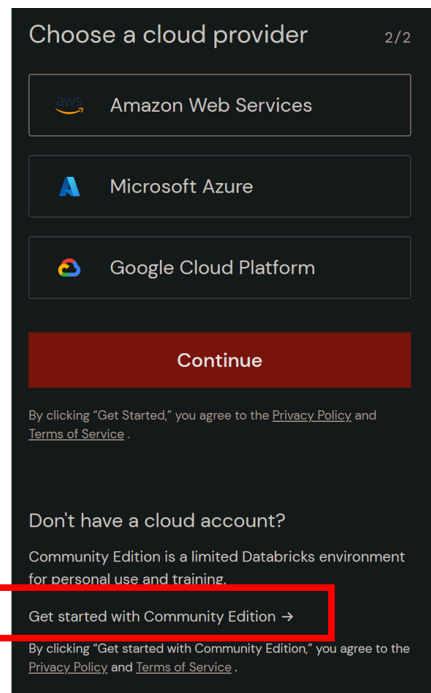

Country

Peru

By submitting, I agree to the processing of my personal data by Databricks in accordance with our [Privacy Policy](#). I understand I can update my preferences at any time.

Continue

3. Seleccionamos la opción “Get started with Community Edition” para crear una cuenta gratuita.

4. Se nos mostrará un mensaje informándonos que se nos envió un correo con el enlace de acceso.

Time to check your email!

Thank you for signing up. Now it's time to validate your email address.
Please check the email you provided for next steps.

5. Al revisar el correo, encontraremos el enlace de activación de la cuenta. Damos clic sobre éste.

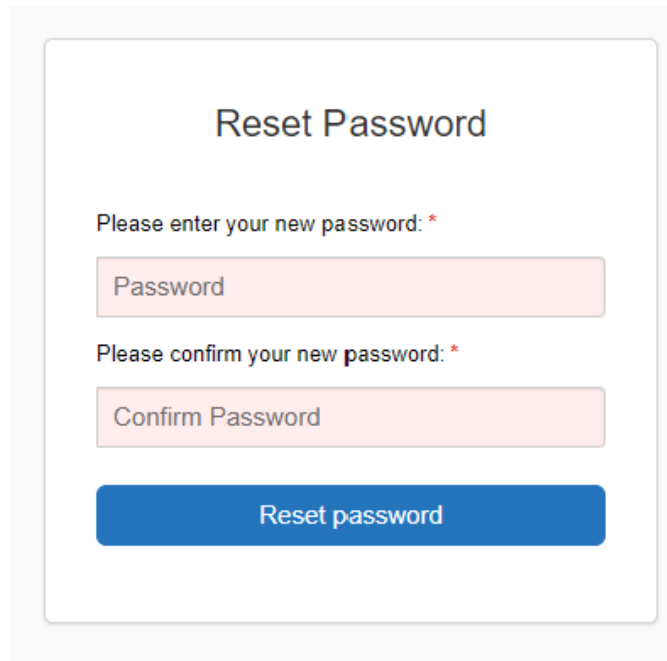

Welcome to Databricks Community Edition!

Databricks Community Edition provides you with access to a free micro-cluster as well as a cluster manager and a notebook environment - ideal for developers, data scientists, data engineers and other IT professionals to get started with Spark.

We need you to verify your email address by clicking on [this link](#). You will then be redirected to Databricks Community Edition!

Get started by visiting: <https://community.cloud.databricks.com/login.html?>

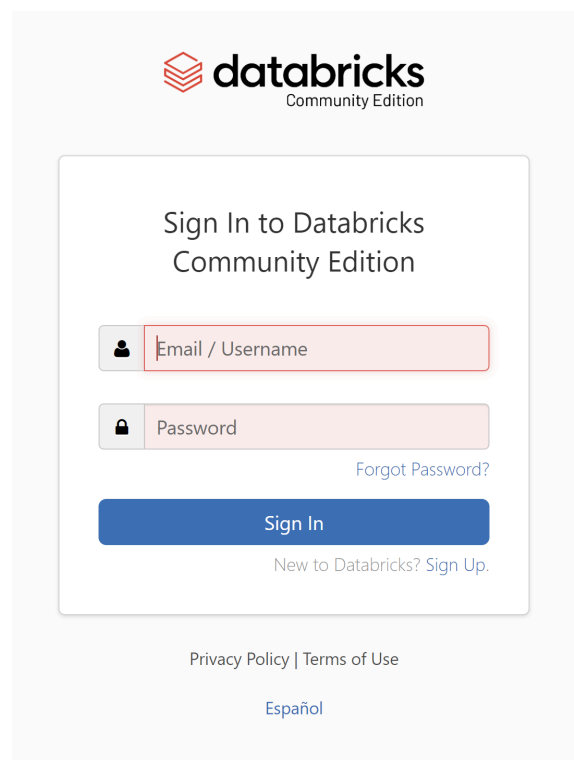

6. Se nos llevará a la web de creación de contraseña. Ingresamos la contraseña que queramos y damos clic sobre “Reset password”.

The image shows a 'Reset Password' form. At the top, it says 'Reset Password'. Below that, it asks 'Please enter your new password: *' with a text input field labeled 'Password'. Then it asks 'Please confirm your new password: *' with a text input field labeled 'Confirm Password'. At the bottom, there is a blue button labeled 'Reset password'.

7. Luego de crear la contraseña, volveremos al enlace de login e iniciamos sesión con nuestro correo y contraseña:

<https://community.cloud.databricks.com/login.html>

The image shows the 'Sign In to Databricks Community Edition' form. At the top, it has the Databricks logo and 'Community Edition'. Below that, it says 'Sign In to Databricks Community Edition'. There are two input fields: 'Email / Username' and 'Password'. To the right of the 'Password' field is a link 'Forgot Password?'. Below the input fields is a blue button labeled 'Sign In'. At the bottom, it says 'New to Databricks? Sign Up.' and there are links for 'Privacy Policy | Terms of Use' and 'Español'.

8. ¡Listo!, veremos la pantalla general de Databricks
