

In this roleplay the teacher applies language goals learned from modules 6 to 9 as they order food at a restaurant.

Ele: Hello! And welcome to Happydonald's. **Can** I show you the menu?

Cesar: Thank you, yes. Let me see... Any suggestions?

Ele: Well, you **could** order our specialty: the BigHappy with french fries. It's our number one suggestion.

Cesar: That sounds delicious! **Can** I also have something to drink?

Ele: Of course, sir. **Would you like** a soda?

Cesar: YES! Perfect combination!

Ele: For here or to go?

Cesar: That's a great question!! **What time is it?** I have to be at the airport **at five fifteen**.

Ele: **It's a quarter past four**.

Cesar: Oh, no! So to go, then. I only have one hour.

Ele: Sure, no problem. **Can** I offer you a dessert?

Cesar: No, thanks. I **can't** eat more junk food today. But... **can** you help me with some information? **How can I** get to the airport from here?

Ele: There is a bus stop across the street. You **can** take bus 10 to the airport. **On Fridays** there is one **at half past four**.

Cesar: Ok, well, thank you very much for your help!
